Mr. and Mrs. Sample 1234 Sample Street, Yourtown, ST 00000 (555) 014-2288

work to be done: master bath tear out and rebuild

Material description:

- 1/2 in. cement backer board on all wet walls, taped and sealed
- Porcelain floor tile, 12 x 24, laid straight with 1/8 in. grout joints
- Custom vanity cabinet, 36 in., with quartz top and undermount sink
- Semi-gloss paint, two finish coats on all walls and trim

Demolition:

- Remove existing tub, vanity, toilet and floor tile
- Haul off all debris and protect the flooring to the rest of the house
- Cap and plug all plumbing and electrical at the tear out

Carpentry:

- Rebuild the tub surround and frame the new shower base
- Install the new vanity, mirror frame and door casing
- Set the new interior door and hardware

Plumbing:

- Rough in and set the new shower valve and trim
- New toilet, supply lines and shut off valves
- Move the sink drain and vent as needed

Electrical:

- New GFCI receptacles at the vanity and above the counter
- Relocate the vanity light box and install the new fixture
- Add an exhaust fan on a timer switch

Allowances figured in price of job to be adjusted upon selection:

- \$1,200.00 allowance - plumbing fixtures and trim

- \$900.00 allowance - tile and setting materials
- \$600.00 allowance - vanity light and mirror

Homeowner to supply:

- Paint colours and finish selections
- Towel bars, hooks and accessories
- Shower curtain or glass door

Total for all work described above:	\$ 24,850.00
Due at signing of contract:	\$ 12,425.00
Due at start of job:	\$ 6,212.50
Due upon completion of job:	\$ 6,212.50

Special note:

Any tile or fixture over the allowance amount will be added to the final balance as a change order.

Payment Note: Any adjustments to the contract price are to be applied toward the final balance, unless otherwise noted with a change order. Unforeseen carpentry, electrical, plumbing, heating, and cooling will be discussed with homeowner and a change order signed. Work will be figured at time and material.
